YOUR TIME AND TALENT ARE NEEDED!

Dear Members ...

In the last issue of the newsletter, a plea was made for additional participation by the membership. As a result, two of the three open positions have been filled. Paul Church (shoreroad@hotmail.com) volunteered to assume the role of Vice President in charge of Programs. He would appreciate hearing from you with any ideas. Peter Selig will be responsible for all competitions. Thanks to both men for offering their time, expertise, and assistance!

The position of Hospitality Chair remains open. This job involves arranging for snacks and beverages at each meeting via a sign-up sheet which is circulated during the initial meetings of the club. Each meeting's providers are reminded by telephone or e-mail several days prior. The Chair need not attend every meeting, as the providers are also responsible for set-up and clean-up. Later in the season, the Chair arranges for the Annual Banquet. If you are willing to assume this non-time consuming position, please contact Joe Tambascio (508-477-6329) or Jim Mills (508-385-7264).

CCVF is in the process of establishing a new, more current website. Terry Gavin has agreed to do the initial set-up if no one else is available, but we are seeking a volunteer to maintain and update the site at regular intervals. Terry is willing to train someone who has a good working knowledge of computers, and can be reached at 508-432-0881 or arubrum@rcn.com.
